Board Meeting - Thursday Jan 7, 2010 6:30 pm
Last chance organization to get ready for the Cable Air Show!

Cable Air Show - Sat. & Sun. January 9-10
Please Volunteer! Set up at 4 pm Friday.

Presidents Message

It's hard to believe is been a year already. We have accomplished much within the chapter this year and hope to equal or exceed our progress next year.

One of our goals this year was to clean and freshen up the Chapter House and Hangar. Progress was made on both. We are currently replacing the carpet with VCT (vinyl composite tile) in the meeting room and did a general sprucing up including a new computer, printer and monitor... *NOTE:* we would like to replace the current art work with pictures of planes completed in the 448 hangar. We can copy or duplicate a picture you may have if you want it back. Please include builder name, plane type and completion date if possible. We would like to honor all who have succeeded in this quest. See Pete McCoy or myself if you have pictures we can use.

All the preparation work was completed for the hangar build out including walls and foundation work. We hope to finish this in the early part of next year.

At the beginning of the year we purchased a new hot dog cooking grill that worked great at the Air

Show. We hope to do even better for the 2010 Air Show. Don't forget to volunteer! Sign up sheets will be available at the Christmas Party.

We had one successful Young Eagles event and plan on doing more. We do need pilots so let Robert Scott know you're interested.

The idea of a chapter build project is still being reviewed. We are waiting for feedback from 'Donate a Plane' to see if they have something for us.

The website has been up and running all year providing a new means of communication.

My special thanks to all the chapter members and their support throughout the year.

Happy Holidays,

Rocky Morrison

Update on the Proposal to amend EAA Chapter 488 Charter

EAA Chapter 448 board of directors proposed a change to our charter in the October newsletter and at the October and November meetings.

Our members were clear on the fact they didn't agree with some of the proposed changes. The group did AGREE we should raise membership dues to \$30 for all, and have spouses included. Members DID NOT approve of the proposed 'Shop Member', who would have paid extra for access to club tools. Our effort to place the hangar builders in a category of their own was met with little support. Most members thought the board should draft a separate lease type agreement for all builder to sign each year. This would not require a change to our chapter charter.

Chapter Member. Membership dues are \$30 p/year, and are good for member and spouse. Chapter members are invited to attend all normal club functions. Chapter members must also maintain an active National EAA membership, to be eligible to be member of EAA Chapter 448.

Level-2; Shop Member. Shop membership classifications was eliminated by popular demand during the review period. All active club members will have access to the hangar equipment, provided they attend and pass an annual safety review class.

Level-3; Builders. A separate membership contract will be drafted for the builders. This contract will spell out the specific responsibilities of each builder, and will include a clear definition of all fees, charges and requirements. Each builder will be required to sign the builder contract at the beginning of each year. This will be a lease type agreement drafted by the board of directors.

2010 Nominations...

President: Rocky Morrison
Vice President: OPEN. We need a nominee
Secretary: OPEN. We need a nominee
Treasurer: Keith Sermaniak
Communications: Peter McCoy
Young Eagles: Robert Scott

Most of the 2009 board members were renominated to serve again next year. However, we still have a couple of open positions to fill. Please let us know if you would like to throw your name in the hat. We will vote in the 2010 board at the Christmas Party.

Christmas Party!

Saturday December 12th., 2009

Location: Chuck & Mary Barnett's Hangar #316

Time: Drinks starting at 6pm, Dinner around 7pm.

Please join in our Christmas celebration. During past parties there has been a gift exchange. This year we are asking that you bring an unwrapped toy for 'Cable Claus' to fly in via the big yellow bird to children of our military service.

If you would like to volunteer to help set up or clean up after, please contact Rocky president@eaa448.org or 909-560-9328

Volunteers Needed - Cable Air Show!

January 9th & 10th., 2010

This will be the 35th anniversary of the Cable air show, and the 65th anniversary of the founding of Cable airport. So a big party is planned.

EAA Chapter 448 will be called to help staff volunteers for aircraft registration, shuttle bus drivers, plane parking, hot dog booth and more. We will be passing out the sign up sheet, to get a head start on the volunteer list [info@eaa448.org].

Young Eagle Flight - All Smiles!

EAA Chapter 448 had a wonderful day flying a dozen or so Young Eagles last month. We had a good turn out and all the kids went home with smiles on their faces. We even had a couple of parents go up for a ride, after the kids. Thanks to all our volunteers who helped make this day turn out great for everyone involved.
